

TABLE OF CONTENTS

Module No.	Title	Page No.
1	Mathematical Foundations for Data Science	1
2	Linear Algebra for Data Science	29
3	Advanced Linear Algebra	57
4	Calculus for Machine Learning	87
5	Multivariable Calculus	108
6	Probability Theory	131
7	Probability Distributions	160
8	Statistical Inference	181
9	Regression and Statistical Models	220
10	Optimization and Numerical Methods	256
