

TABLE OF CONTENTS

Chapter No.	Title	Page No.
1	Foundations of Artificial Intelligence	1
2	Machine Learning Techniques	22
3	Deep Learning and Neural Networks	34
4	Generative and Multimodal AI	45
5	AI in Data, Vision and Speech	66
6	Edge AI, IoT and Autonomous Systems	87
7	Ethical, Explainable and Responsible AI	107
8	Future Directions and Research Trends	125
9	AI Systems, Deployment and Mlops	143
10	Advanced Applications and Interdisciplinary AI	158
